Potosi Municipal Water Utility  
105 North Main Street  
Potosi, WI 53820-9709

1998 Analytical Review DWCCA-4790-PJL

Dear Ms. Burbach:

The Public Service Commission has completed their analytical review of your 1998 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report.

Our records indicate that the \$33,040 reported in Account 324, Steam Pumping Equipment, on page W-8 should actually be reported in Account 325, Electric Pumping Equipment. Please adjust your 1999 annual report accordingly using column (f) of the Water Utility Plant In Service schedule and add a footnote explaining that the adjustment was made as instructed in this letter.

Thank you for your efforts in preparing your 1998 annual report. You may consider our review closed. If you have any questions, please feel free to contact me at (608) 267-9198.

Sincerely,

Peter J. Leege  
Financial Specialist  
Division of Water, Compliance, and Consumer Affairs
